BRYANT UNIVERSITY CERTIFICATE PROGRAMS

WHY SHOULD YOU PURSUE A BRYANT UNIVERSITY CERTIFICATE?

Bryant University fosters a career advancement mindset in which students learn in an interactive format to gain skills they can immediately apply for their professional development. Since 1863, Bryant University has been a leader in offering innovative educational programs that address the changing landscape of both business and society.

From Project Management to Six Sigma, People Analytics to Mastering Leadership, our programs utilize cutting-edge approaches to create a highly interactive and experiential learning environment and ensure the knowledge gained can be utilized right away. All programs are developed and supported by our renowned Bryant Faculty.

EDUCATION FOR INDIVIDUALS

Advance your career through our professional certificate programs and individual courses. Bryant offers virtual instructor-led and self-directed online learning options to provide you with the utmost flexibility and convenience in your lifelong learning journey.

Read the policies & procedures [here](#).

CUSTOM PROGRAMS

Bryant University offers customizable training to corporations, non-profits, and government organizations. Our custom programs can be onsite, virtual instructor-led, or online self-paced.

Investing in employee professional development is an essential component for any organizational success. Working collaboratively, we develop customized corporate programs for employers to help increase retention, performance, and personal growth.

STRATEGIES FOR SUCCESS

'Strategies for Success' is a 1-week module that will familiarize you with our online learning system. This will ensure that when you begin your certificate program you are ready to learn and fully participate in the online environment.

'Strategies for Success' is required for all first time Bryant University certificate learners.

ICON KEY

All courses are 100% online.

You choose the path that's right for you from the comfort of your home or office: virtual instructor-led or online self-paced.

Instructor-Led

Join our expert Bryant instructors for direct teaching via Zoom. Instructor-led courses provide excellent opportunities to network with fellow learners and engage in real-world applications of material.

Self-Paced

All self-paced courses are designed and supported by Bryant instructors. Self-paced courses are ideal opportunities to fit learning and career development into your busy schedule.
